Comments	<input type="text" value="All of these facilities are available not far from this junction, on the other side of the M40 - some of which you can see from the road! - so why have more of the same? Surely this site could be put to better use. The hotel is the most baffling. There's a big Premier Inn kitty corner to this site and it's hardly used. Who will use this massive 240 bed hotel? We just don't understand what is underpinning the decision making for what to put on this site."/>
