Comments	<input type="text" value="I would like to object to the plans to build basically a motorway service station + hotel on this site. There is already a petrol station & hotel just off this junction so why do we need more? The additional traffic on the A361 will cause many issues. Traffic trying to come out of the services joining the A361 will be dangerous and accidents will occur. How is an already busy motorway roundabout going to cope with the additional traffic? There are already service stations 12 miles north & 27 miles south, is there really a need for another one? Terrible, terrible idea!!!!!!"/>
