<b>Organisation</b>	<input type="text"/>
<b>Name</b>	<input type="text" value="Emma Jackson"/>
<b>Address</b>	<input "="" type="text" value="Mavis Bank,Church Road,Greatworth ,Banbury,"/>
<b>Type of Comment</b>	<input type="text" value="Objection"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="Our road infrastructure was not built to cope with the volume of traffic we have. This would just attract more to our already busy roads. With HS2 and other developments, the number of large lorries have increased. There have been multiple accidents on the Welsh Lane and road works on the main arterial roads into Banbury resulting in road closure. Traffic often diverts through small villages which is creating potholes and presenting a risk to pedestrians. I'm also worried that we are continually eating into green space which displaces wildlife and reduces the habitat available to them. There is a lot of debate about green energy and solar farms. Why not place something like that here rather than buildings which I am not sure Banbury even needs. We already have a number of hotels and fast food outlets. Given the current drive to reduce obesity, I think yet more availability of fast food is at risk of being detrimental to the health of our community particularly our young people just when we are trying to combat obesity. I would prefer that we invest in local business and restaurants rather than large chains as this gives greater choice in where to eat and hopefully higher quality freshly cooked food."/>
