<b>Comments</b>	<input type="text" value="I object to this development on the grounds that it would lead to a huge increase in the levels of traffic and pollution on an already busy junction. The area is already well served for a petrol station and its position by the side of the motorway will attract traffic away from the services at junction 10. The hotel is too large and high and in proximity to an existing large hotel. Unnecessary high rise developments will change the character of the town."/>
