<b>Comments</b>	<input type="text" value="We object to this application, this proposal has already been rejected, so why are they allowed to apply again. There is no need for another hotel, service station or fast food outlets, Banbury is already well served in these sectors. The A361 and surrounding roads will not cope with the additional traffic as even now if there is an issue around the M40/Junction 11 or any feeder road it causes absolute gridlock, even this morning it has taken 40 mins to get from Chacombe to Banbury! This then causes the traffic to take alternative routes making all the local villages into rat runs."/>
