Comments	<input type="text" value="I strongly object to the proposed development on this site between the M40 and the A361. There is no actual need for another petrol station, hotel or fast food outlets. These amenities already exist close by and also 12 miles north and south of J11. The roundabout here is already excessively overloaded with traffic and dangerous. The enormous and hideous warehouse recently erected there is an utter insult to the senses as one approaches from any direction. It is an ugly, unsettling and monstrous reminder of how we place profiteering before preserving the beauty of the surrounding countryside. Please, we have already gone too far. Let's not make it even worse."/>
