Comments	<input type="text" value="It has been heartbreaking to watch this unsightly warehouse go up. We have so many fast food places, petrol stations and hotels in less than a 5 mile radius that I am at a loss to why anyone would think we need more. The traffic at the M40 junction is appalling at best, and I can't imagine how much more disruption people can take without making rat runs out of smaller villages to bypass this mess."/>
