| Comments | <input type="text" value="Please do not allow this application - the traffic problems it will cause for anyone coming from Middleton Cheney/Brackley direction or Daventry will be awful. The backups that happen at the moment show how bad things can get. We surely don't need another hotel or fast food outlet and we have motorway service stations a very short distance in either direction. I am sure that the traffic problems will get worse in our village as well as Williamscot and Cropredy as drivers seek to avoid the motorway junction roundabout. I totally support The Protection of Rural England's views. Thank you."/> |
