<b>Comments</b>	<input type="text" value="The proposals in this application are completely unnecessary, unsustainable with the current infrastructure, environmentally damaging and visually unsightly. There is already fuel, hotel accommodation and fast food / coffee outlets immediately east of the proposed development off junction 11 and within 12 miles both north and south on the M40. The M40 / A361 roundabout gets gridlocked with the current traffic volume and queues frequently form on all the access roads. The warehouses currently in development are a total eyesore from every angle and have destroyed the countryside. Please put the needs and wishes of the local population ahead of Euro Garages profiteering plans, and reject this pointless and damaging development."/>
