<b>Comments</b>	<input type="text" value="There is no provision for access directly from the motorway so the traffic impact on the motorway roundabout and all converging routes will be colossal. The current roadworks have proved the road access is poor at the best of times and added traffic coming off the M40 for unnecessary services will make matters worse! It's just not needed with services at Warwick and Ardley! In any crisis situation, emergency vehicles will be severely impeded to access areas our side of the M40."/>
