Comments	<input type="text" value="This development is a duplication of amenities already available within a few miles & is not needed - the development has breached the m40 wall on the east of Banbury which has long been recognised as protection for the countryside adjacent - this is not something that the community is calling out for & smacks of cronyism - exactly who will be benefiting from this development - it will be ugly, noisy, busy, polluting, waste creating - please please think of the countryside & how important it is to all of our futures"/>
