Comments	<input type="text" value="Banbury motorway junction & road infrastructure in ,around& out of Banbury is abissmal.. adding this blot on the landscape as well as the enormous traffic problems is just absolutely crazy.. it's about time this council wakes up & invest in the infrastructure then we can accommodate these size planning applications..until then, companies & people avoid Banbury like the plague.. we have enough filling stations, hotels, & warehouse units with in the motorway Banbury side without causing more misery than before.. invest in the road infrastructure north & south of Banbury or keep it the market town that it's set up for.. or invest & make it a town of the future.. change the council who are obviously completely out of touch with running & updating the town.. until then enough is enough"/>
