Comments	<input type="text" value="Apart from the fact that there is absolutely no need for ANOTHER hotel , such a short distance from the other 2 !!! Nor fast food outlets as we have several of those too. I have NO clue how the traffic to and from this proposed eyesore and in and out of Banbury is going to be controlled Have you seen the traffic build up from junction 11 into and out of Banbury and the M40 ??! The accidents on the 361 Daventry Rd from cars speeding coming off the roundabout around the bend. Overtaking. Some drivers actually believing it's a dual carriageway and using both lanes !!!! Just another blot on the landscape of more tacky commercial businesses for Banbury. Leaving the near villages as rat runs. Where speeding is already a major concern with families who have children in the village of Chacombe This is going to be a very dangerous site traffic wise"/>
