Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Banbury already has more hotels than it needs and they struggle to stay viable. Banbury also has more eating places than are required. Again most are struggling to Make a living. All this development would do is increase the volume of lorries using roads that are totally unsuitable for their size and weight. This plan must be rejected for the second time. Please make the right decision."/>
