Comments	<input type="text" value="This is absolutely disgraceful. We live in a wonderful small village with quiet roads to and from our homes and a short drive to motorway or Banbury. How dare you think of building this and destroying more beautiful countryside, wildlife etc. Plus adding to dreadful traffic problems. Just narrowing one lane this last couple weeks to the new warehouse has caused massive traffic issues for miles around the main road.. the roundabout and right the way into Banbury.. plus backing right up the Middleton Cheney road and the one to Sulgrave. It was Bedlam. What on Earth would make anyone think it a good idea to build a hotel, petrol station and fast food outlets here? Have you ever driven through Banbury at rush hour?! There's petrol a plenty and motorway drivers have J10. For gods sake. This is absolutely dreadful. Stop it. We have already got area all around us being completely destroyed for the HS2. Enough now."/>
