| Address | <input type="text" value="34 Thorpe Road,Chacombe"/> |
| Type of Comment | <input type="text" value="Objection"/> |
| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="This development will put increased strain on the road network than cannot already handle the volume of traffic that uses it. The A361 comes to a stand still daily due to traffic back log and the poor/restricted access onto the roundabout. Addition traffic is highly likely to start using the surrounding roads and villages as rat runs and cut throughs - road that were never designed for this volume of traffic and are already in a very poor state of repair which will only get worse. The inclusion of drive through facilities will doubtlessly lead to an increase in litter in the area which is an eyesore and threatens wildlife while encouraging vermin to thrive. The M40 was always described as being the boundary to Banburys development. This development breaches that and threatens turning the surrounding villages into becoming suburbs of Banbury."/> |
