<b>Comments</b>	<input type="text" value="There is no need for this devlopment. Plenty of petrol staions, food outlets and hotel accommodation less than a mile from the motorway junction should people have missed the Other M40 Motorway services nearby both North and South of this junction. There are plenty of empty industrial and retail buildings in this area, why allow more to be built? The A361 and the rounderbout over the M40 cant cope with an increase in traffic at busy times. We have a obesity crisis, we should not be encouraging more fastfood outlets to set up."/>
