| Comments | <input type="text" value="All Cherwell council seem to do, is build build build around junction 11 on the m 40. We have a hotel on the Banbury side of the motorway as we do a petrol station. The traffic around this area I congested as it is. The planners should be sacked. Also for the past year all we have seen is road works from the motorway to Banbury. People are just tired of these imbeciles on the council. If the planning goes ahead, I personally will be organising demonstrations against this application."/> |
