Comments	<input type="text" value="I feel I need to object to this planning application as it is going to cause untold misery, and hold ups into Banbury from the Brackley and Middleton Cheney, side of the town, It is already total chaos if there is only the slightest problem on the motorway or any hold ups in the town, The development that has been under construction for a while now, is a total eyesore, andI am sure that this is going cause a lot of problems on its own on the motorway roundabout into Banbury, It would be ridiculous if this new application is even considered, let alone be passed after it was turned down previously, and should be turned down again, Steve Hook"/>
