Comments	<input type="text" value="I do not think we need any of the amenities included in this application. We have quite enough hotel beds near the M40 and in the town centre. There are two large original hotels in the town and the new Premier Inn opening any day by the canal. The extra traffic this development would bring just compounds the ridiculous delays we have to endure, coming in from the surrounding villages and Brackley almost every week. We have yet to also feel the full effect of HS2 traffic."/>
