<b>Comments</b>	<input type="text" value="From the information provided, it is difficult to see how traffic levels at the M40 roundabout will not be increased. This will lead to excessive queuing of traffic attempting to access the M40 and Banbury from the A422 and A361. There is already queuing there at peak times. Other routes to the M40 or Banbury from the A422 and A361, for residents of the area who currently use this roundabout, are lengthy and time consuming, Pollution levels in the area will be increased at a time when there is a high focus on reducing these levels. I am opposed to the development."/>
