Comments	<input type="text" value="- I am not convinced of the need of another service station placed between Warwick and Ardley. - I am concerned about the traffic impact on Junction 11 of development of this type at this site. - I wonder whether there is a business case for a hotel. Premier Inn at Castle Quay is just about to open, do we need 240 more rooms? - Where is the advanced engineering and knowledge based industry that this site was originally earmarked for?"/>
