Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="This objection is down to the following reasons: Firstly the there is a service station under 20 miles in each direction. Secondly there is no need for the new service station as the Banbury Gateway recently built was designed for motorway users as a short stop, opposite this complex there is a petrol station (Esso) and a premier inn including 2 sit down restaurants including a Costa. Also please note there have been warehouses erected close by disrupting wildlife and works causing a nuisance on the roads and a potential high risks for accidents and increase in traffic to and from the motorway and local surrounding villages, this new service station will only increase the issues with the infrastructure."/>
