Comments	<input type="text" value="Just simply, Banbury is dying! The centre of town has more empty shops than occupied ones. There are several coffee shops and charity shops but nothing else. Another hotel to stand empty or to take business from the hotel built in the centre but not yet completed? A petrol station a stones throw from another one? Same with the coffee shops? Whichever way people approach Banbury now, from the north or south, it's warehouse after warehouse. Please invest the money into the town itself and attract people back."/>
