Comments	<input type="text" value="Our traffic situation is dire now without adding more to our roads, residents north of the M40 are already being affected by the HS2 traffic, the Daventry road is often gridlocked. If there are any minor incidents on the A422 or accidents on the M 40 cars are often backed up from the Middleton Cheney bypass. It can take up to an hour to get in to Banbury . People will stop driving in to Banbury soon, money needs to be spent on our town centre, shops are closed. We will have no incentive to drive in to our town. We have two new hotels in town now. In my opinion this is the thin end of the wedge. Please don't let this be something Banbury Planning will regret later, Another Browns Cake Shop !"/>
