<b>Comments</b>	<input type="text" value="There is absolutely no need for this. There are already two hotels just the other side of the M40. There are two petrol stations either side of Junction 11 within the specified mileage, there are identical facilities for fast food on the other side of the M40. The petrol station would inevitably generate a huge amount of traffic which junction 11 cannot support. This would create a significant amount of traffic which would affect the whole of Banbury and the surrounding villages. The light pollution will become much worse. Please don't approve this application."/>
