Comments	<input type="text" value="Dear Sirs. I am objecting to to the new planning application on the grounds that the increase in traffic using the roundabout over the M40 motorway would prove to be excessive. At the moment this roundabout can be gridlocked and access to the motorway and Banbury severely restricted. I feel that any extra traffic using this area will be detrimental to vehicles trying to access these destinations. I also feel that there is not a need for yet another hotel and fast food outlets as we already have enough of these around said area and in town; neither is yet another petrol station needed. Yours sincerely Robert A Dale"/>
