<b>Comments</b>	<input type="text" value="I would like to object to this proposal on the basis of its need within a very populated already saturated area. We do not need more empty commercial buildings. We have recently had a new hotel built in Banbury that has never reached capacity, this renders this application unnecessary. There are also multiple shops and restaurants that are shut within the town centre, money needs to be spent regenerating this buildings, not putting in new ones."/>
