<b>Comments</b>	<input type="text" value="The owner of The Lion, Main Street, Wendlebury has 'kicked the can down the road' over improving the kitchen extract system &amp; intake grille. As soon as it was possible for W H Brakspear and Sons Ltd to use the kitchen premises again at the Lion we had to suffer the STENCH once more and sometimes SMOKE billows out too. This is particularly so in the mornings at start up i.e. for breakfasts and at weekends generally. We need to remember to close our windows again in this Covid era. Will Cherwell District Council take action for us taxpayers if the work is NOT completed by the proposed date variation to November 2021?"/>
