<b>Comments</b>	<input type="text" value="Not sure what the request is as there are no supporting documents on this site. But if it is regarding the water tower, I am happy for it not to be demolished. However, with the money saved, the majority should go back into the community to improve the living standards, such as a better path to the walking routes, especially to the next village, as it will be impossible to get my baby's buggy over the field. Residents also have to walk on the busy roads to get to the bridleway near us."/>
