Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Whilst I have every sympathy with the Covid impact and the issues this has caused, the negative impact on our quality of life is very impactful. The ongoing smells from the kitchens are really invasive both inside our property and especially in the garden. This often leads to windows being shut, washing having to be re laundered as well as our own wellbeing due to the continuous smells and smoke."/>
