<b>Comments</b>	<input type="text" value="We object to the footpaths /footway access being directly in front of our home, A318 Gao with the gaps in the hedges being directly opposite our driveway causing loss of privacy. We object to the frontages being directly onto Hook Norton rd as this will invade our privacy, cause light and more noise pollution, particularly in summer when houses with hook norton frontage will likely have open windows, Loss of privacy more noise pollution more light pollution We believe looking at the plans that the 400 year old hedge will be replaced by modern box hedge despite assurances from Gade who I wouldn't trust with my cat."/>
