Dear Bernadette

Thank you for consulting the Conservation Team on the above application.

There is notable separation including a number of existing buildings between the sites and the Listed Building. Therefore due to the nature of the development, the design and particularly the location of the proposed buildings it is considered that the significance of the Listed Building will not be further harmed through development within its setting. Consequently there are no objections on heritage grounds. It is not considered necessary for the Conservation Team to provide further detailed comments at this time, however if you feel that further comments are required please do not hesitate to contact us.

I hope this is of assistance to you

Kind Regards

Emma Harrison
