<b>Comments</b>	<input type="text" value="I strongly object to these plans on the basis that they are far too close to the residential estate of Greenwood. The industrial units are overbearing not to mention the noise generated throughout construction and then beyond with lorries coming and going at all hours. I am already woken most nights by noise from the existing units. I should not be forced to consider moving my children and my family from an area we adore because of selfish approval of planning applications. This is a residential area however I fear we will live in the centre of an industrial estate if this is approved. The roads are not suitable for the volume of traffic this will generate and once again we the residents will suffer the consequences of works and closures."/>
