<b>Comments</b>	<input type="text" value="I am appealing for common sense. Beckdale Close residents have suffered large scale flooding due to this development. The land now up for development was initially intended for housing. Instead the houses which back onto Howes Lane are facing the construction of large scale industrial units and obviously the traffic/noise that brings with it from heavy vehicles. Far from being a nimby myself, there appears to be a lack of regard for my neighbours who face these monstrosities being situated literally across the road! The knock on effects of this development so far have been unacceptable. Previously no issues with flooding, now my neighbours face insurance issues! Please reconsider the use of this land, develop it aesthetically, consider the people of Bicester."/>
