Subject: New comments for application 21/03177/F

New comments have been received for application 21/03177/F at site address: Axis J9 Phase 3  
Howes Lane Bicester

from Sylvia Friend

Address:  
92 Bucknell Road, Bicester, OX26 2DR

Comment type:  
Objection

Comments:

This town which we are all so fond of has become a dormitory town and the event of more and more warehousing is making it less appealing to live here. I know we can't stay still but building warehouses on every corner cannot be the way forward as they don't create a lot of jobs and are basically an eyesore.
