Case Officer	<input type="text" value="David Lowin"/>
Organisation	<input type="text"/>
Name	<input type="text" value="Jonathan Bennett"/>
Address	<input type="text" value="45 The Green, Evenley, Brackley, NN135SH"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Stoke Woods is an ancient woodland containing a mix of native broadleaf and exotic conifers, carpets of bluebell in the spring and a variety of bird and butterfly species. With several open glades and a small meadow, it provides important habitats for invertebrates and its prominent position on an otherwise flat landscape makes it a landmark that can be seen for miles around. The construction of warehouses adjacent to the woods will destroy this."/>
