Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I object to this application due to the obvious increase in traffic through the villages ,noise and light pollution and the impact on the wildlife our property will be one of the closest to this development we already suffer from increase in noise from the M40 also Hethe and Hardwick are already used as a alternate route to the A43 between Croughton and the B4100 this will become intolerable if this increases"/>
