Case Officer	<input type="text" value="David Lowin"/>
Organisation	<input type="text"/>
Name	<input type="text" value="Pippa Elliot"/>
Address	<input type="text" value="Well Cottage,School Lane,Stoke Lyne,Bicester,OX27 8RU"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I would like to strongly object to this application for the following reasons. The overwhelming gridlock of traffic in this area at peak times should be without doubt the most obvious reason. The road is already full of large lorries and long traffic queues. This would hugely adversely effect local people and others travelling through accessing the A 43. No amount of fiddling with this junction will ease this just trying not to add may be the only solution. The site is not accessible via sustainable transport as is too far to walk or cycle so car would be the only option for employees. There is no need to provide extra jobs in the local area as very low unemployment rate. The detrimental effect to the landscape and natural environment and the effect on the lives of the residents of Stoke Lyne will be significant and over whelming."/>
