

# Comment for planning application 21/03266/F

Application Number	<input type="text" value="21/03266/F"/>
Location	<input type="text" value="OS Parcel 2636 NW Of Baynards House Ardley"/>
Proposal	<input type="text" value="Site clearance, construction of new site access from the B4100, permanent and temporary internal roads, an internal roundabout and a foul drainage station, diversion of an existing overhead power cable and public right of way, and soft landscaping"/>
Case Officer	<input type="text" value="David Lowin"/>
Organisation	<input type="text"/>
Name	<input type="text" value="Nick Attenborough"/>
Address	<input type="text" value="Friars Well, 11 Roundtown,Aynho"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Dear Sirs I wish to object to the proposed development at Baynards Green (Reference 21/03266 and 21/03267) due to the likelihood of increased traffic. We live in Aynho on the B4100 and already suffer from very heavy traffic through the village, much of it HGVs. It's already extremely difficult to cross the road at busy times from our home so the increase in traffic from the warehouse and distribution centre will only make this worse. The sharp bend where we live is already an accident black spot. Last year, there was one fatality on the 'Roundtown' bend and there have been numerous traffic accidents each year at the same spot. In the 7 years that we have lived at 11 Roundtown, we've had traffic collisions with our wall on 9 occasions. All have required costly repairs. If the development were to proceed, it would need to be on the basis of a village bypass and strict HGV restrictions. Otherwise, there will be further fatalities. Nick Attenborough"/>
