Comments	<input type="text" value="I strongly object to this planning application. It will ruin beautiful countryside and negatively impact the lives of everyone in the surrounding villages. I do not want to battles through lorries and unbearable traffic every time I leave my village on roads which are often already overwhelmed by traffic and largely unsuitable for lorries. There are already so many lorry crashes within just a couple of miles radius of these proposed site. The damage to wildlife and countryside is absolutely unacceptable. This is not a development suitable to a rural area. Furthermore this is an area of outstanding natural beauty and needs to be protected. This development will significantly damage my house price due to traffic and reduction in surrounding countryside."/>
