Date: 01 November 2021

Dear Sir/Madam

Outline planning permission (all matters reserved except for access) for the erection of buildings comprising logistics (use class B8) and ancillary office (use class E(g)(i)) floorspace and associated infrastructure; construction of new site access from the B4100; creation of internal roads and access routes; and hard and soft landscaping

OS Parcel 0006 south east of Baynards House adjoining A43, Baynards Green

Thank you for consulting us on the above application on 05 October 2021 and again on 22 October 2021 following the submission of amended details.

The submitted amendments include an area of off-site habitat compensation proposed to demonstrate how the development will deliver a net biodiversity gain. The proposed off-site compensation area lies within an area at risk of flooding and part of the boundary adjoins the Muswell Hill Brook main river. The applicant should be asked to update the Flood Risk Assessment and provide further details of the proposed works in this area to confirm that flood risk will not increase.

We cannot advise you on this proposal until we receive this information.

Yours faithfully

Miss Sarah Green
