Comments	<input type="text" value="Dear Sir or Madam Having lived in Stoke Lyne since 1984 and having seen many changes locally ie Motorway plus service station and construction associated with we need no more. I agree with our neighbours that enough construction is taking place in the Bicester area and already getting closer to us. My main point of concern is the environmental issues involved which many of my neighbours are also concerned about. Finally from a personal perspective I look straight onto the proposed developments and this going to be an eye sore. So please consider my views going forward Yours Mike Adams"/>
