<b>Comments</b>	<input type="text" value="I strongly object to this proposal. I have lived in Ardley all my life and seen many changes but the destruction of our countryside for this mass build is heartbreaking. Traffic is already terrible since Junction 10 came along, then the extra Incinerator traffic, now this! The village will become marooned in an industrial nightmare and wildlife will be driven out. It is not fair to keep destroying more and more of the countryside around our village, we have had enough!"/>
