| Comments | <input type="text" value="I severely object to this planning request. As a frequent user of Stoke Woods, were the planning request to be approved we would see massive impact to the character of the area, as well as the effect on the wildlife and air quality in the area. The historic area is a pleasant and natural place to walk, allowing one to get away from the world for a moment. Having warehouses on the doorstep would greatly ruin this experience."/> |
