Type of Comment	Objection
Type	neighbour
Comments	I strongly object to this development on the following grounds; a) As a 24/7 facility it will lead to light, noise and air pollution in close vicinity to Fritwell b) I believe the bio-diversity 'offset' will be going to Piddington? Hardly of any benefit to local residents c) Concreting over perfectly good productive farmland could cause more flooding in an area already prone to it d) Traffic congestion around Baynards Green already causes a problem with our village roads turned into commuting 'rat-runs' - this development will massively increase this problem e) It's a fundamentally inappropriate development for what is essentially a rural, countryside neighbourhood
