Comments	<p>I would like to object to this proposal on the grounds that there will be a significant and adverse affect (without some kind of by-pass) upon the quality of our peaceful life in Aynho if this development is agreed. The volume of traffic carrying larger lorries to Banbury would likely grow, as would the risks to our safety. We live within the `village confines' of Aynho and we are also in a conservation. However, traffic noise, noise and disturbance are already problematic. One death and five vehicles which caused repairs to be re-built or repaired have occurred in the past four years, two of which concerned large lorries. Traffic will likely make it increasingly to get out of our drive onto Roundtown in the `rush' hours between 8.00-9.00 am and 4.00-5.00 pm when we already find it almost impossible to cross Roundtown on foot. I do understand that the proposed development will potentially deliver benefits for the area around and near Baynards Green, but this should not be at the cost of our quality of life in Aynho. Please re-consider. Thank you.</p>
