<b>Comments</b>	<input type="text" value="This area is often advertised as being 'environmentally-friendly' and 'rural', amongst other similar terminology... However, it is blindingly obvious that greed is higher up on the agenda than preserving what little green space/ancient woodland we have left! Please - if you care about the environment, and want to keep this small but much-loved and well-used pocket of countryside for future generations to benefit from, object!"/>
