Comments	<input type="text" value="Stoke Wood is a precious ancient woodland. Woodland that is sadly ever decreasing in this country. I understand that surrounding fields have been put forward for planning permission to build warehouses. This cannot be allowed to go ahead. It will have a detrimental effect on the wildlife, the air quality and the beauty if the area. A great number of people visit Stoke Wood for various reasons, from dog walking to mental health benefits and exercise. Please address this appalling planning proposal. Kind regards, Carina Ford"/>
