<b>Comments</b>	<input type="text" value="The insufficient infrastructure causes chaos in every direction, contributing to further delays on the A43 and M40. Surrounding villages are already used as a cut through for speedy motorists at peak times. Stoke Lyne village is already effected by the increased traffic (at high speed) since Macdonalds was built at Baynards Green. If this proposal was to go ahead, it would be extremely detrimental to the residents and wildlife. See attached"/>
